Instructions: Start measuring* horizontally and vertically from the left wall and continue clockwise around the room. Include all doors, windows, entryways and any other obstacle. Mark all gas, water and power lines locations. Indicate your appliances size and location. Finally, measure from floor to ceiling in the proximity of all the corners and at the center of the room. Note any special design request you'd like to add to your new **Cabinet Kingdom** kitchen.

Floor Plan View

* Always Double Check your measurements.

Instructions: Start measuring* horizontally and vertically from the left wall and continue clockwise around the room. Include all doors, windows, entryways and any other obstacle. Mark all gas, water and power lines locations. Indicate your appliances size and location. Finally, measure from floor to ceiling in the proximity of all the corners and at the center of the room. Elevation View

A large grid of light blue lines on a white background, intended for drawing an elevation view of a kitchen wall. The grid is approximately 30 units wide and 40 units high.

* Always Double Check your measurements.
